3D EXPERIENCE

THESIS PROJECT

2023 - Present

Water, Fire, Smoke Effects

- Create a film using visual effects to represent the 5 Stages of Grief.

WOOD DISINTEGRATION

2022

Disintegration Effect

- Showcase a 3D object disintegrating using particle effects in Houdini.

SWISS ARMY KNIFE

2022

3D Model

- Create a Swiss Army Knife 3d model in Maya with surrounding background elements.

WORK EXPERIENCE

BOYS and GIRLS CLUB, Delray Beach FL 2019 - 2021

Program Staff Assistant-Sub

-I am currently categorized as a Sub, which means I am still in their system, even though I stopped working to pursue my Master's in Visual Effects.

-Supervise and tutor children ages 6-12 in the computer lab with math and reading. Assist children with homework; help whenever needed in other areas such as the lunchroom or game room.

HOME DEPOT, Sunrise FL

2016 - 2019

Cashier and Lot Associate

-Processed transactions at the Self-Checkout area and the checkout counter. Answered customers questions about prices, and discounts. Assisted customers with loading front store entrance items to their vehicles.
